About Us

We are the Alpine School District CTE Internship program. With internship programs in each of our 10 high schools, hundreds of students are looking for career advancement through CTE Internships. And thousands of students graduate looking for job and career opportunities.

Seeing business partners filling their talent pipeline with eager and enthusiastic students from Alpine School District makes us happy.

Connect to students

- Invite young energetic talented students to intern with your organization.
- Each semester over 200 students participate in our internship program.

Connect to Schools

- Participate in a career fair
- Be a guest speaker
- Invite students to visit you: field trips, job shadows
- Service on an advisory board
